

## SCHOOL DISTRICT #49 (CENTRAL COAST) Policy Manual

---

---

### **POLICY 470: Educational Opportunity**

The Board of Education of School district 49 (Central Coast) believes that every pupil resident in the School District should be offered as broad a range of educational programs as possible; subject to the abilities and aspirations of the student, the wishes of the parent and the economic circumstances of the Board.

To that end, the District will offer or purchase programs leading to Grade 12 graduation within the District.
