POLICY 540: Student Safety

The Board of Education of School District 49 (Central Coast) believes that the safety of every student is a matter of serious concern at all times. To promote the safety of students while attending school or under school supervision the following guidelines have been developed:

Guidelines

1. School buildings and equipment, including buses, will be regularly inspected for health, fire and safety hazards.
2. Adequate supervision will be provided.
3. Rules and procedures will be made in each school to avoid accidents in buildings and on the playgrounds.
4. Precautions will be taken to assure students safety prior to and after dismissal from school, while on school grounds.
5. Staff will endeavour to make sure that students are free from bullying and or harassing behaviors from others.
