

School District #49 (Central Coast)

Posting # T298-23/24

March 20, 2023

**Wuikinuxv Elementary School
Continuing Teaching Position (1.0 FTE)
Beginning September 1, 2023
Internal/External
Multi-Grade**

The position may include other assigned duties and begins September 1, 2023.

Interested elementary teachers who are a member or who are eligible to become a member of the Teacher Regulation Branch are invited to apply. The teaching assignment includes Teacher in Charge, and may include Grades K – 7 instruction.

Teachers with a demonstrated commitment to:

1. Developing a positive student centered learning environment;
2. Awareness of First Peoples Principles of Learning;
3. Cooperating with parents and peers;
4. Sound knowledge of technologies and their educational application;
5. Knowledge of sound intervention skills for behavior and cognitive difficulties.

Preference will be given to candidates who have:

1. Training and experience in primary level instruction;
2. Experience in teaching First Nations students at the primary and intermediate level;
3. Training and experience in a Multi-Graded classroom;
4. Have the capability to work independently in an isolated educational environment;
5. Willingness to perform administrative duties, such as on site supervision.

Training or interest in the field of Special Education would be an asset to the applicant. A demonstrated ability to design, adapt, and modify curriculum to suit diverse needs is required. Candidates should be committed to individualized and group instruction utilizing a variety of effective strategies and techniques. Preference will be given to teachers familiar with, and aware of local First Nation cultures.
